SCHOOL SONG

Dear Fondy High, we sing to thee, of victory and fame,
Of comradeship and loyalty, success shall be our aim,
So let us stand for what is right, be it great or small;
And we give three cheers for red and white —
We shall always heed thy call.

ROBERT P. MOSER

To the Class of 1962 — WITH LUCK!

These past twelve years in school have presented you with a variety of challenges and opportunities. If you have made the most of each, you can be proud; if you have not, now is the time to get started.

Your teachers have endeavored to help you develop your skills and your philosophy to the end that you will make wise decisions. If your decisions are mature and thoughtful, our community will become an even better place in which to live and your life will be worthwhile. This is the hope of your teachers.

During the years ahead, you are challenged to leave your mark by contributing something worthwhile. The future is in your hands.

Robert P. Moser
Superintendent of Schools

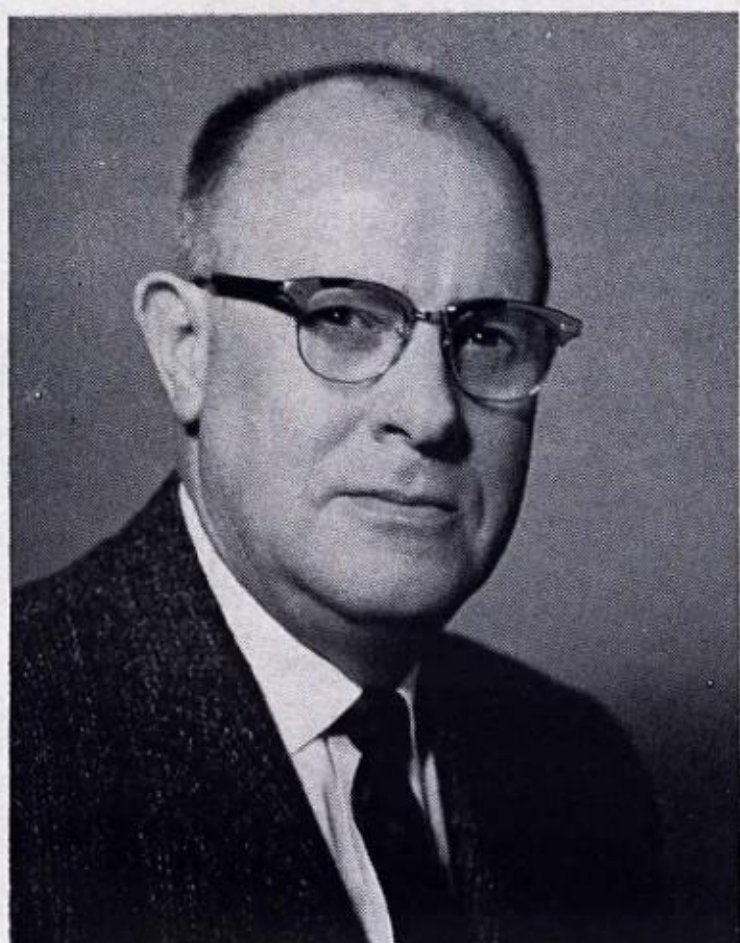

Le Roy W. Draeger

We of the **Cardinal** staff take great pride in dedicating this book to a great instructor and person, L. W. Draeger, who passed away this last school term. His tireless efforts helped many — not only friends and associates but students as well. He was a man who lived for the great principles of justice, honesty, and industry and who died in the service of them. His contributions as a teacher and as a citizen are measureless, for they are moulded into the lives of those who knew him best. He loved his work; he never forgot his responsibilities; he carried on till the end.

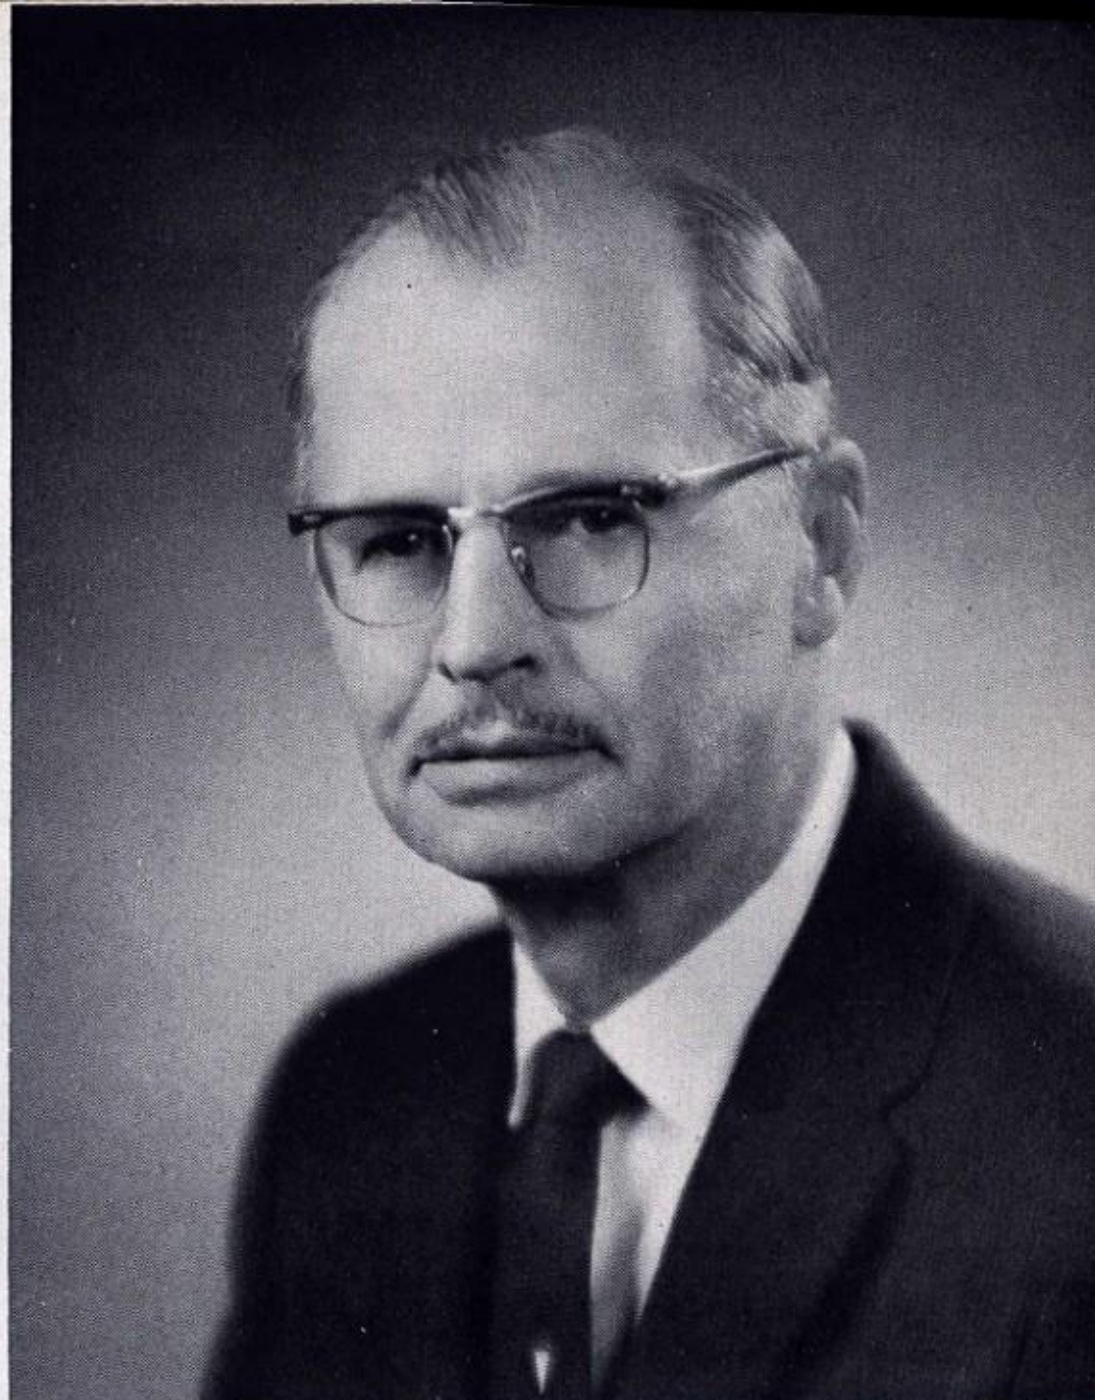

YEAR BOOK

So often we regard the *Cardinal* as the sole property of the graduating class. It is indeed the year book for all the people in Goodrich High School. We wish good luck and success to the Class of '62, and we hope that their leadership and influence will inspire the Classes of '63 and '64. Let us all direct our energies to the job ahead. If improvement is possible, let us improve; if growth is possible, let us grow; let us never halt nor retreat! Full speed ahead!

Sincerely,
A. H. FILBEY

RETIRING

A friend is leaving us. Truly, if any teacher could be said to be a friend of his students, it could be said of our well-known physics teacher, Elmer Baker. Dedicating himself to helping others, he has unstintingly served his students and associates for forty-three years. A marine in World War I, a top football player at Iowa State, head football and basketball coach at Goodrich for many years — "Bake" has always proved his capabilities; those who know him realize the full meaning of the words, "A friend is leaving us."

1921

1962

A teacher for thirty-seven years in Fond du Lac, Lynn Topliss has always been a credit to himself, his family, and his friends. When he leaves Goodrich, some of his sincerity and integrity will remain with those who have had him as a teacher and with those who have known him as a friend. He combined good nature and good sense in classroom and community to leave a lasting impression as a truly noble human being.

1925

1962

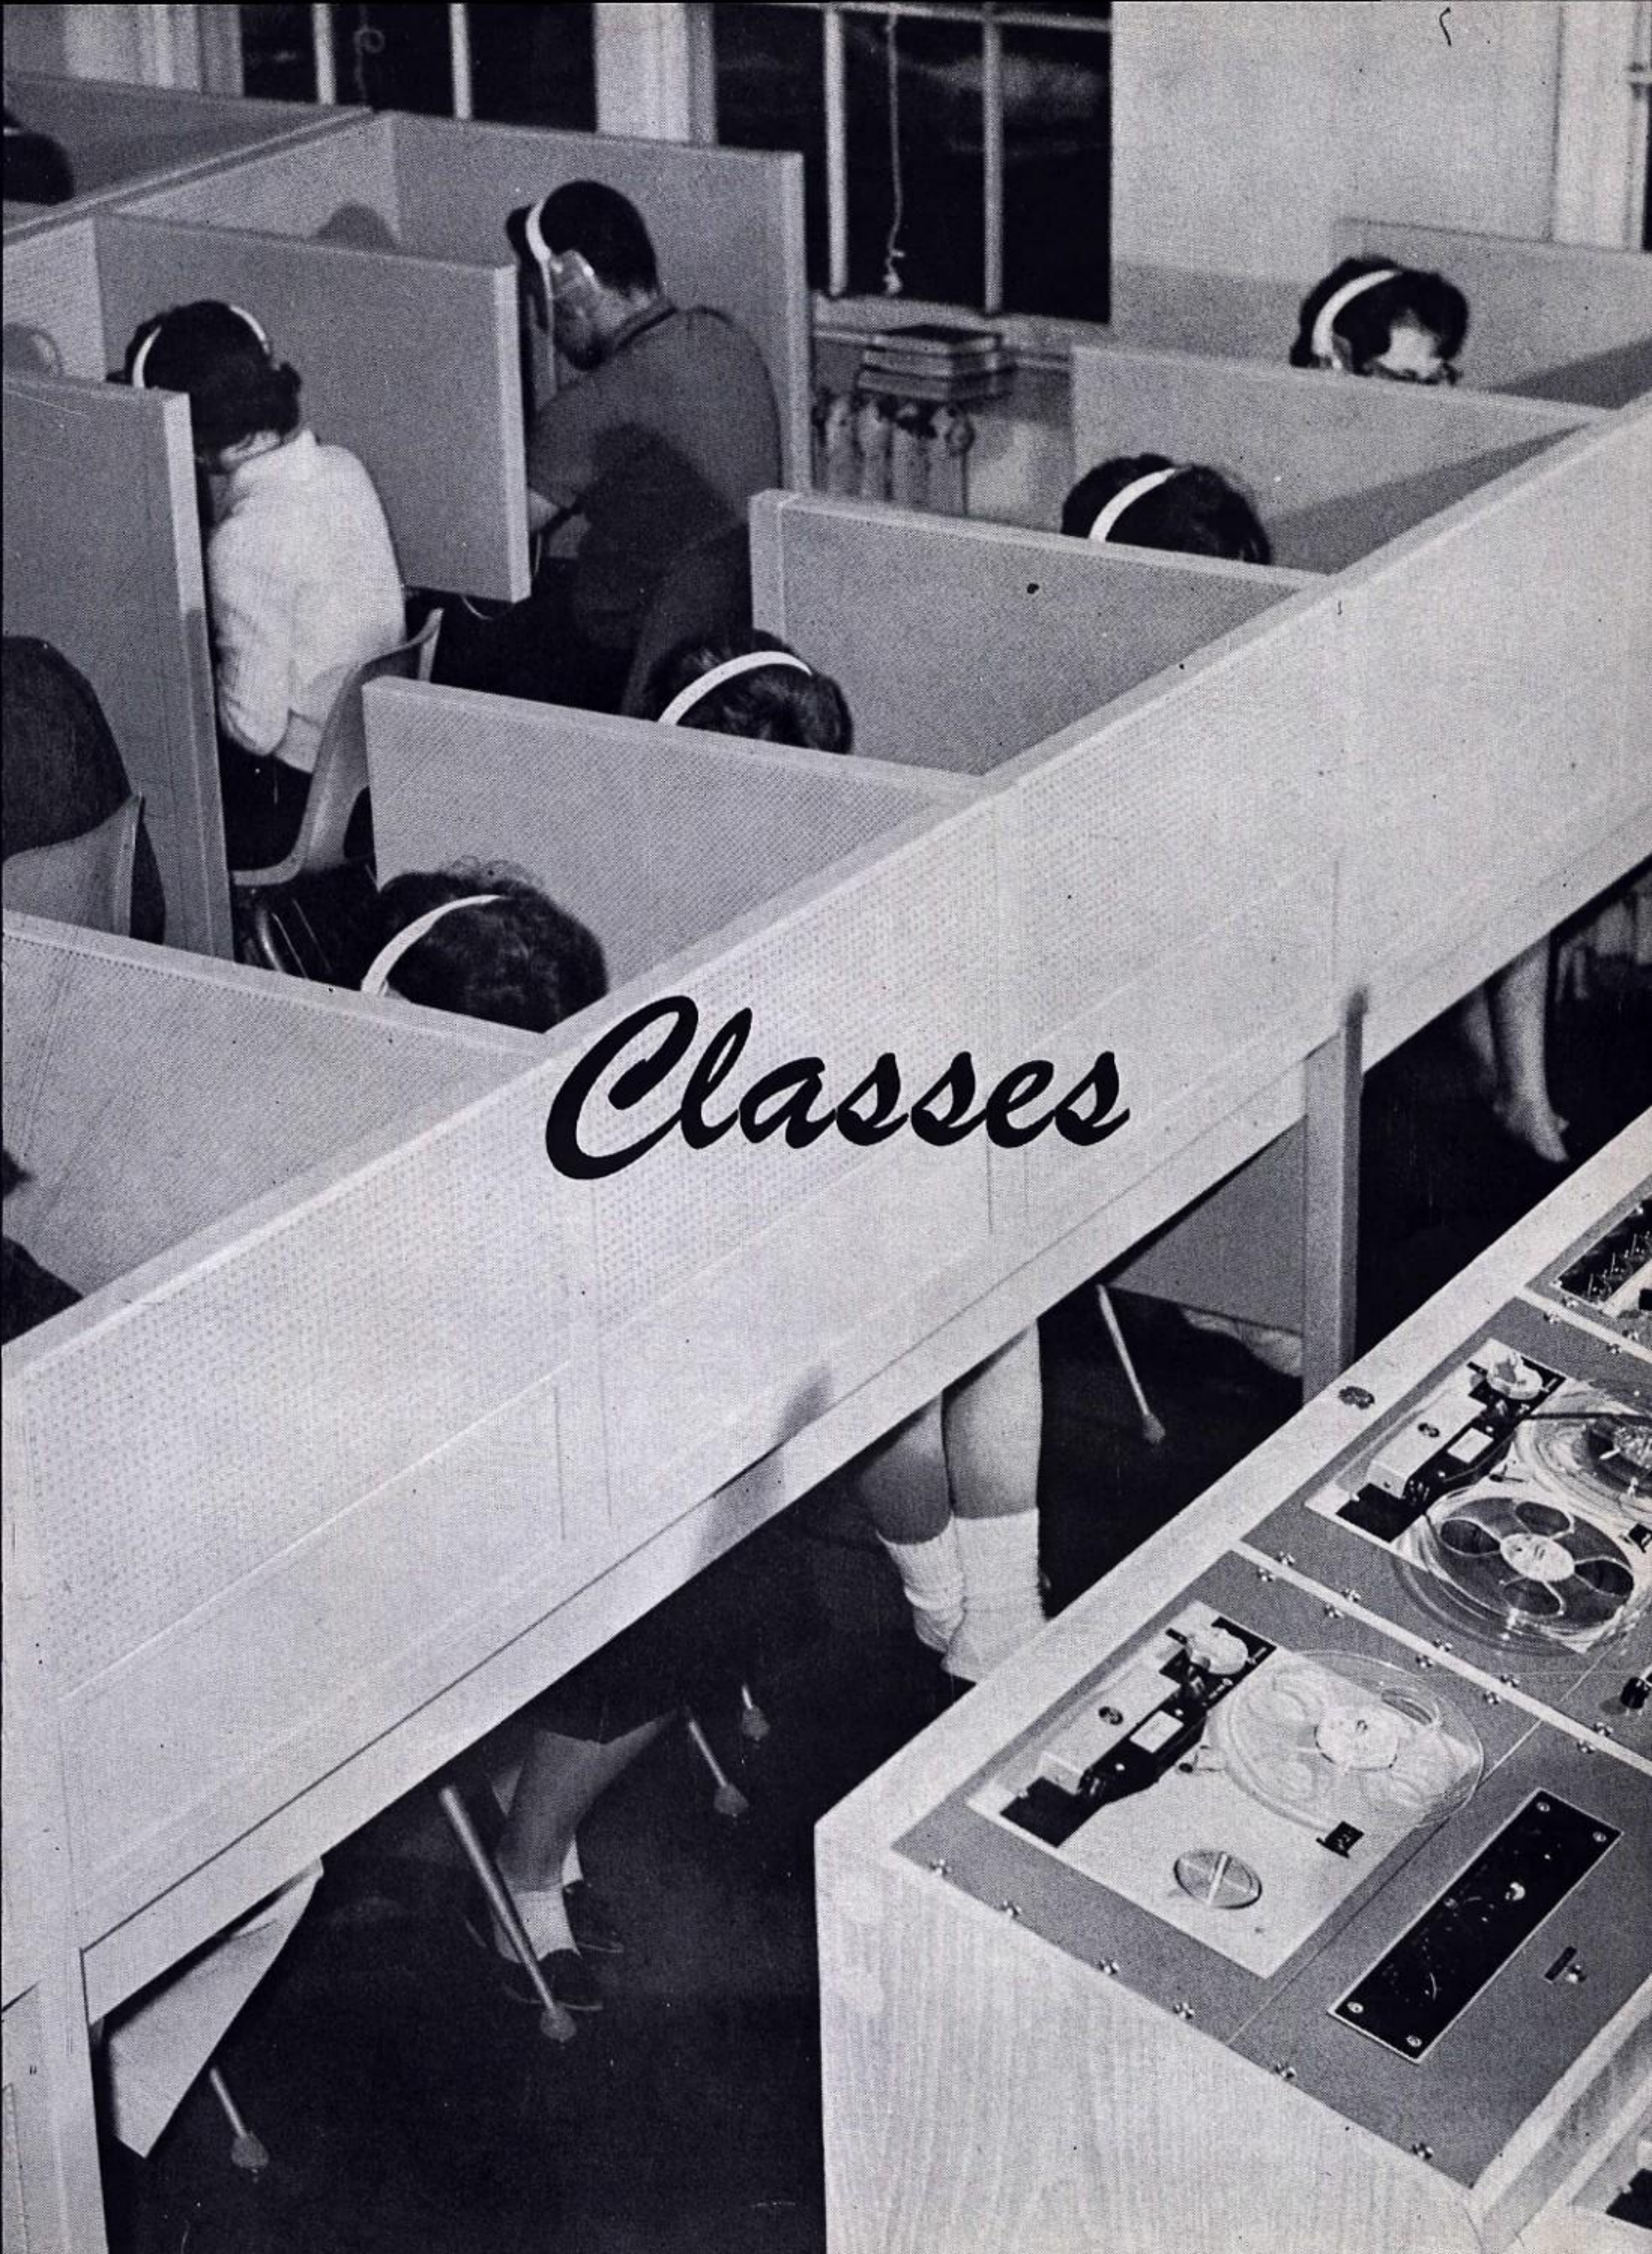

Last year the Student Council passed a resolution asking for the establishment of an Honor Society in the high school. As a result, a faculty committee under the leadership of Miss Louise Haack was appointed to compile a list of those juniors who were eligible for membership. In the spring of 1961, the list was sent to all faculty members who rated each student on the basis of character, leadership, scholarship, and service. The final selection was approved by the ten teachers who belong to the chapter committee. In October of this year, twenty-two charter members of the Cardinal Chapter of the National Honor Society were announced. These seniors included Margaret Baker, Jennifer Blakely, Carolyn Collins, Michael Gulig, Merry Haberkorn, Craig Hansen, Martin Holmquist, Carolyn Jensen, Kay Klipstine, Stephen McConahey, Bruce McKay, James Meyer, Sue Mielke, Bruce Petri, Kathryn Piotter, Paul Setzer, Ellen Soukup, Lynn Stohlgren, Janet Streeter, John Strege, Sheryl Tremlett, and Janet Wilhelms.

The object of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of the high school. To help fulfill these objectives, the members elected Craig Hansen, President; Paul Setzer, Vice President; Ellen Soukup, Secretary; and Jennifer Blakely, Treasurer. The officers appointed an Executive Board composed of Sheryl Tremlett, Kathryn Piotter, Bruce Petri, and Lynn Stohlgren who aided Miss Haack in preparing meetings and ceremonies.

The Goodrich teachers had an opportunity to become acquainted with the National Honor Society on February 5, 1962, when Ellen Soukup, former Exchange Student to Finland, talked of her experiences and showed slides of her journey to Scandinavia. The tea held previous to the program allowed the faculty to ask questions about the responsibilities accorded the Society.

In March the faculty body selected eighteen juniors and seniors as candidates for membership in the National Honor Society. The senior nominations were Susan Geiger, William Koenen, Larry Olson, and Marjorie Wiedeman. The junior class was represented by Michael Anderegg, Susan Cerny, Dorothy Chadbourne, Samuel Cochran, Suzanne Des Isles, Diana Dittich, Kathleen Flanagan, Sally Hielsberg, Ruth Nelson, Sandra Newhouser, Linda Olson, Richard Richter, Mary Stacy, and Judith Towne. A formal induction ceremony for the benefit of the members and their parents was held Monday evening, April 16. Carolyn Collins explained the meaning of the keystone and torch. Then President Craig Hansen introduced the speakers on Character, (Carolyn Jensen), Leadership, (Sheryl Tremlett), Scholarship, (Margaret Baker), and Service, (Kathryn Piotter), the four cardinal principles of the society.

At the last meeting following the induction of the new members, officers for the year 1962-63 were elected. Michael Anderegg was chosen President; Richard Richter, Vice President; Susan Cerny, Secretary; and Sandra Newhouser, Treasurer.

A black and white photograph of a classroom setting. In the background, several students are seated at desks, each with a computer terminal. One student in the center-left is wearing a headset and looking at the screen. Other students are visible behind them, also at their terminals. The desks are arranged in rows, separated by low wooden partitions. In the foreground, a large, light-colored wooden desk is partially visible, featuring two large circular components, possibly part of a larger machine or a specialized computer setup. The word "Classes" is written in a large, cursive script across the middle of the image.

PRESIDENT'S MESSAGE

It was wonderful being juniors! We, the class of '63, will be expected to provide the fine leadership to soar to great heights — both scholastically and athletically. Our junior year was outstanding and will always be remembered by us.

MIKE MIES

Hello!

It's me again; you know me, the Cardinal. Once more it is time for me to check back on the class records and achievements and decide if each class has earned its yearly promotion. I think I'll glance in my record book here and see if the Junior Class of 1962 will qualify . . . ah, here they are. According to the first entry of my book, the fall brought the election of officers with four eager students attaining their desired positions: Mike Mies, president; Sam Cochran, vice president; Judy Towne, treasurer; and Diana Dittrich, secretary. Fine! What's this? A list of committees from Homecoming; there seems to be a good number of Junior Redbirds here. Oh, yes, the court representatives of the Junior Class, Cheryl Gladoske and Judy Towne. I think they deserve double credit in my book!

Here's a memo reminding me about the support given by the Junior Cardinals at football and basketball games, and the enthusiasm displayed by the five junior cheerleaders of the '62 J.V. cheering squad — Christy Brunet, Sharon Burns, Barbara Heins, Mary Stacy, Pam Zuehlke. Then, too, I can't forget the feats performed by the Junior boys on the athletic teams. Good work, fellows!

You know, while listening to the music concerts presented this past year, I tried to count the junior musicians of the choir, band, and orchestra on my feathers, but I found it impossible! From what I've heard, there also has been evidence of many Junior Cards flapping their wings on the Hi-Eye Staff — Dot Chadbourne (new editor), Mary Cowles, Susie Des Isles, Sue Karst, and Judy Towne.

The Winter Formal reports certainly favored this class; one teacher, acting as bird watcher, remarked that the affair should have been a Junior Prom because of the outstanding work put in by the Juniors. More points for the Junior Class!

Let me see, have I missed anything? Why, of course, I can't forget the fourteen versatile Redbirds who were chosen as members of the National Honor Society and the many others who maintained a "B" average or better to obtain berths on the honor roll. I guess that's it. Adding up an excellent score, Junior Class! You've made the grade. Now I'll be looking forward to seeing you here at the roost next year when I'm certain you'll give Goodrich High a splendid Senior Class that that they'll long remember. Don't forget — I'm counting on you!

PRESIDENT'S MESSAGE

I am certain I will never forget the great honor of serving our Sophomore class as President this year. Many people have said our class has great abilities and talent. If we continue to work together as we have in the past, we can make our class a leader of Goodrich High School.

JOHN STACY

It was September 7, 1961, the first day of this school year. For the sophomores, it was the beginning of three of the best years of their lives. But just what thoughts were going through the minds of these sophomores that first day? Will the upper classmen look down upon us? Will the teachers be hard to get along with? As the year progressed, all of these first doubts and worries were left behind. The upper classmen and faculty proved to be of great assistance in helping us become accustomed to our new environment. They really became true friends.

We, in turn, showed the juniors, seniors, and teachers our capabilities by electing a fine slate of officers that were a real tribute to the sophomore class. Those elected were John Stacy, President; Jim Westphal, Vice President; Susan McIntosh, Secretary; and Mary Gaffney, Treasurer. These four officers proved their leadership abilities in every possible way.

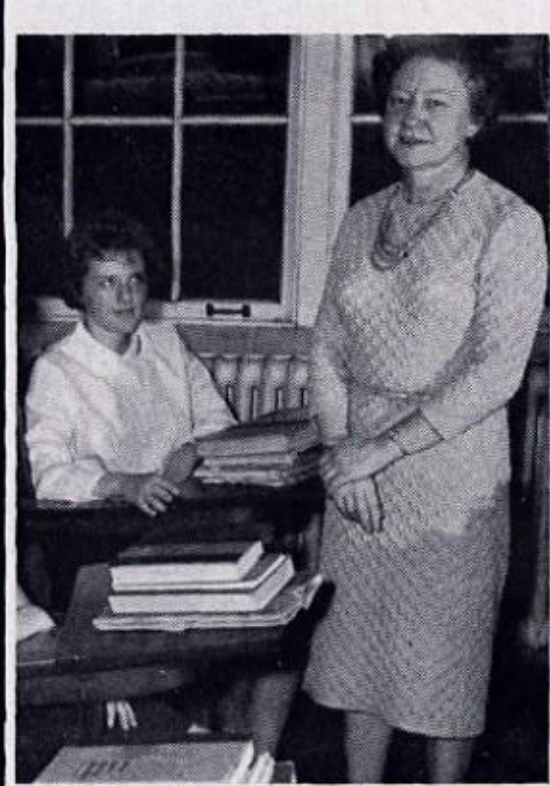

With the opening of the football season, the sophomores proved their enthusiasm by their fine participation at the games and also by those boys who represented their class on the team. Fall and the football season led into winter and the basketball season. Here, again, the boys showed their terrific sportsmanship on the basketball court, and the fans again showed their spirit by attending all games. Then came spring and track, golf, tennis, and baseball and again a fine participation by all.

But, the sophomores were not only outstanding in sports. Their music aptitude was proved by the many who took part in the band, choir, and girls' chorus. The solo and ensemble contest in Ripon brought home many first place awards, and for some, the right to compete at the State Contest in Madison.

The scholastic achievements, the participation in intramurals, clubs and organizations, and those who joined the **Hi Eye** from this class proved in another way, their sincere interest and spirit for their school.

Yes, the class of '64 played an important role in this school year. It not only contributed in the material things, but in morals, behavior, and attitude toward school. We never will cease to maintain these standards. We will make Goodrich High School forever remember that the sophomore class of this year was outstanding in every way.

Student Council

President	-----	BRUCE PETRI
Vice President	-----	BARBARA FINNERTY
Secretary	-----	DALE TERRILL
Treasurer	-----	SUE WILSON

The purpose of the Goodrich Student Council is to provide a maximum opportunity for student participation in student affairs, to provide a forum where the students may voice their opinions about questions of interest to the student body, to create and maintain standards of good citizenship among the students, and in all ways to further the betterment of the school. Student council members carried out this purpose with the aid of their officers: Bruce Petri, president; Barbara Finnerty, vice-president; Dale Terrill, secretary; and Sue Wilson, treasurer.

Several projects were undertaken by the council in order that it might fulfill its purpose. A homecoming dance and a winter formal were sponsored; student directories, listing addresses and telephone numbers of all Goodrich students, were published; and student honor cards were issued to all students. In addition, the council worked with the Future Teachers Club to arrange an all-school Teacher Appreciation Day. The council also sponsored delegates to three state student council conventions.

In order to evaluate these projects and other, future projects the council conducted a student poll near the end of the year. Among the new projects favored by students were a "student of the month," which would honor students in various areas of scholarship and activity, and an orientation day for incoming sophomores.

Lettermen's Club

LETTERMEN

An outstanding year in the history of the Lowell P. Goodrich High School Letterman's Club has rapidly come to a close. Besides such athletic activities as the Springs-Fondy basketball game, and the Letterman-Faculty game, the Lettermen have done many services for the school.

Led by their officers, Larry Olson, President; James Lee, Vice President; Bill Koenen, Secretary; and Bill Wennersten, Treasurer. The club has purchased red blazer sports coats and has appeared wearing them while ushering at school athletic and social events. They also purchased a portable water cooler for use of school athletic teams while practicing and while playing out of town games. Those attending the basketball games must have noticed the board listing names and team numbers of home visiting teams; the entire project was paid for and made by the Letterman's Club. For fund raising, the Letterman's Club again sold sweatshirts. They were stylish white ones with the school insignia in red.

Although these accomplishments made for an excellent year, by far, the most noteworthy project of the Letterman's Club was its attempts to set goals and attain them. In the earliest part of the year, a complete revision of the Constitution was written and adopted. This new constitution provided goals for the organization and its work. It set the members of the club on the right track. Among the goals was the "battle" against fights after games, which had been giving our school a bad name. The fellows in this club have set an example of the way student government can operate successfully and with purpose. We salute the Lettermen's Club for paving the way towards a better future for youth in Fond du Lac.

On March 17, 1962, several members of the German classes went to Lawrence College to participate in the annual AATG (American Association of Teachers of German) grammar contest and the Deutsche Sprach und Schulverein (German Language and School Society) of Milwaukee German Essay Contest. This year Goodrich High School had five winners in the contest. For the second year in a row, a Goodrich High School student won the grand prize—an all-expenses-paid tour of Germany and Austria via Lufthansa German Airlines. Last year this trip was awarded to John Swan; this year the honors went to Daun Garcia, a fourth year German student. This is the first time that a school has taken the top prize two years in a row. Other winners in the essay contest included Sandra Newhouser, a cash award; Kenneth Newhouser, a cash award; Erhard Voeltz, a book award; and Bruce Petri, a book award.

No one can say the Future Teachers haven't been busy this year! Remember when they served cookies and coffee to the parents and teachers at open house, and what about those pompoms for homecoming? However, it wasn't all work. There isn't a member who won't admit the Christmas party was a huge success. To those who attended, the trip to Oshkosh State Teachers' College was not only interesting but also highly informative.

During the second semester many meetings centered around talks on various colleges. Another activity enjoyed by almost everyone was Teacher Appreciation Day. This enabled some of our group to try their hand at teaching a class.

PROJECTS

1. Monthly programs featuring group entertainment and refreshments were given at the Fond du Lac County Home.
2. Christmas baskets were furnished for needy Fond du Lac families through the auspices of the Salvation Army. Members brought food to furnish complete meals or baskets.
3. Easter, birthday, or friendship cards were mailed to all Fond du Lac senior citizens residing in the geriatrics ward of St. Agnes Hospital or in private nursing homes.
4. Through "Operation Easter Bonnet," patients in the geriatrics ward of St. Agnes Hospital were given refurbished hats and ties which had been collected by club members.
5. A Lakeside Park flower project will highlight group spring and summer activities when members plant and care for three flower beds. A special area will feature an eight-by-eight foot plot centered by a raised cross of red petunias symbolizing the American National Red Cross.
6. Annual November enrollment funds set a new high total of over \$100.00 collected.

Four girls will attend the Wisconsin Red Cross Youth Leadership Training Center in August at Camp Robinhood, Green Lake.

Thru the local chapter of the American Red Cross, Ann Kaestner, club president, attended the American National Red Cross convention in Cincinnati, Ohio. She is also on the High School Advisory Council of this organization and was appointed chairman of the Northeastern Wisconsin area High School Steering committee.

BAND

The familiar strains to this stirring song came drifting down the hall as our band prepared for its final concert on May 10, the climax of a very successful year.

"God of Our Father, Whose Almighty Hand —

Our 77 piece band, this year under the capable direction of Mr. Paul Richmond who took over for Mr. Zimmer on November 1st, participated in several events. The band tournament at Ripon on May 12th was perhaps the most impressive.

We were well represented at the East Central Solo-Ensemble Contest also held at Ripon on March 31st. The entrants from the band brought home 5 firsts in solo work and 2 firsts in ensembles. This entitled Susan Cerny, Frank Cerny, Jim Gaffney, Maxine Averbeck, Mike Gulig, Marion Jagow, Sue Karst, Kathy Flanagan, Joan Blamey, Sally Hielsberg, Diane Thew, Gerry Race, David Fitzgarrald, Cheryl Bogenhagen, Joyce Blankenship, Stanley DeRusha, and David Gardner, to compete at the state contest at Madison on May 19th.

vain, as we were well received by a large crowd who apparently enjoyed our varied selections.

Our music entered the sports field as well as the cultural field. There was no home game complete without our pep band at half time during basketball season. No football game was played on Fruth Field without our "go get em" music. It was a special treat for us to participate during the half time of the Wisconsin-Oregon game in Madison for Band-Day.

Homecoming Parade was a test of our marching ability, and gave us a fair idea of how to maneuver at tournament time and Memorial Day.

Section leaders this year were Jennifer Blakely, flute; Mike Gulig, clarinet; Maxine Averbeck, saxophone; Jim Gaffney, cornet; Mary Gaffney, French horn; Steve Uecker, trombone; Ray Gielow, baritone; Sam Cochran, sousaphone; and Ron Pemberton, percussion.

It has been a wonderful year and we sincerely hope it has inspired some of the would-be musicians to bigger and better achievements, and afforded the rest the pleasure that only music can offer.

GIRLS' ATHLETIC COUNCIL

The G.A.C. for 1961-1962 was made up of sixteen senior girls. They won this honor by participation in girls' sports and by showing outstanding qualities of leadership, scholarship, and helpfulness. They conducted a full range of activities with such success that this year has broken all previous records for the number of individual participants.

The year started with soccer and speedball headed by Barbara Finnerty and Mary Koenig. Since Barbara is one of Goodrich High's best tennis players, she doubled up and headed that program also. Carolyn Collins, Patricia Sheridan, and Sue Mielke carried on with a fine basketball season which had teams playing both at noon and after school. Competition was especially keen in the play-offs with the seniors finally downing the sophomores.

Volleyball and Bowling kept the girls busy with a record number of teams in each sport. Bowling was handled by Evelyn Eiteuner, Annette Schneider, Sheryl Tremlett and Volleyball by Ellen Soukup, Merry Haberkorn and Mary Tasch.

Beginning swimming and Life Saving classes were held all during the year with Martha Steffen in charge. Many girls learned to swim and several more will win junior and senior red-cross life-saving awards.

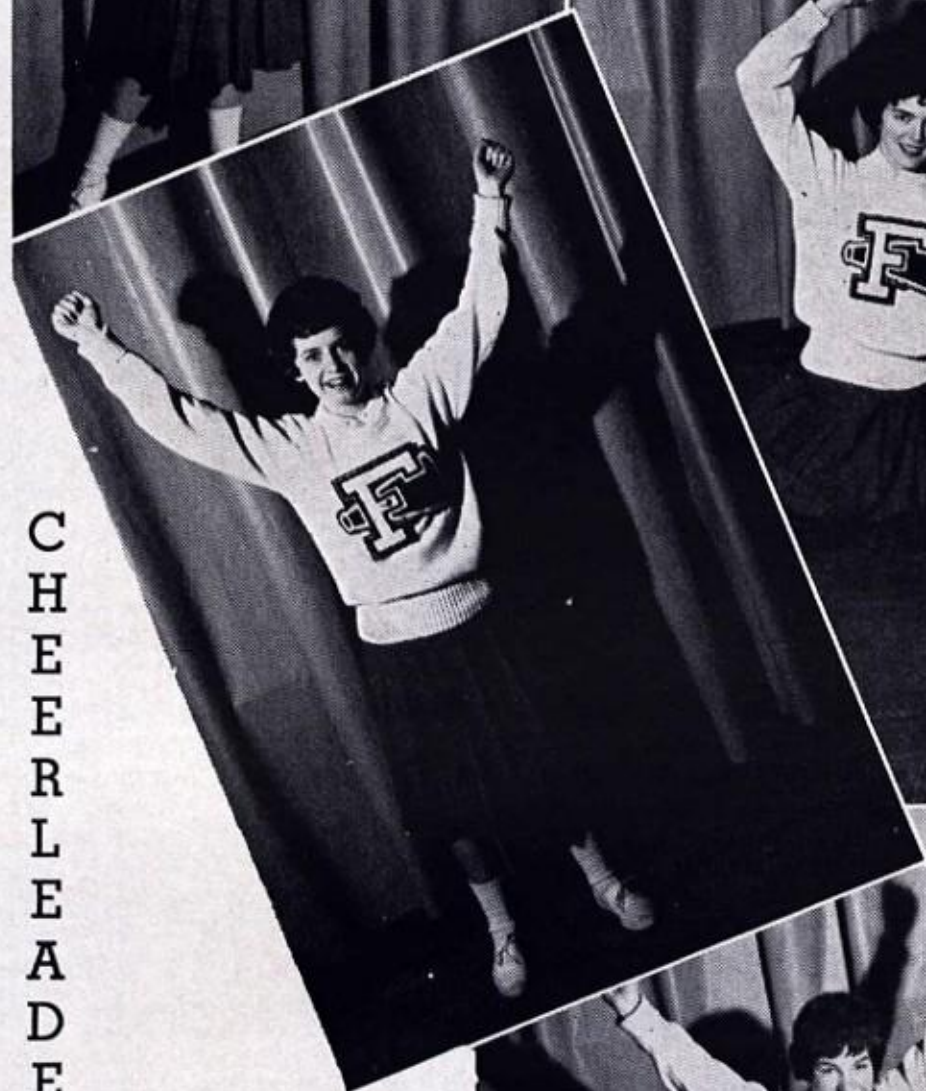

When spring came, we found Kathy Sabel and Janet Streeter busy with balls and bats and calling strikes. Here again there were a record number of teams.

Mary Hoey did an outstanding job of scheduling the largest table tennis tournament ever held.

Archery and track, under Joan Capelle, were somewhat hampered by wet weather, but these activities are very popular with the girls.

These girls did a fine job, but could only do it because of the wonderful cooperation of all the girls who took part.

SENIOR CLASS PLAY

"140-150-160-170-175 — Can't you get it back to 160?"
 "Oh dear, we're going to crash, I know it! Oh, do something!"
 "No, he can't fly that thing; of course he can't fly it!
 You're watching these people go to their deaths!"

These were just a few of the lines which captivated audiences on April 4th and 5th during the presentation of "Flight Into Danger", this year's senior class play. This exciting dramatic fare involved Flight 714 of a small air charter service. During the flight, several of the passengers and both pilots were affected with food poisoning. Of the three remaining men, only one had even the slightest amount of flying experience. Since one of the pilots was close to death, the task of landing the plane safely in a matter of minutes was left to this one-time Air Force pilot and the stewardess.

Because of the lack of scenery and the deep emotional quality of the play, it was not an easy one to present. However, from the comments of those who experienced this "Flight Into Danger", it can be said without argument that this was one of the best play performances presented by Goodrich seniors in many years. This cast included Eric Fransen as Mr. Spencer, Margie Wiedeman as the stewardess, Jay Johnson as Captain Treleaven, and Dave Fox as Dr. Baird. Others included were Elaine Barfnecht, Mary Wagner, John Strege, Mary Fick, Howard Mauthe, Ann Gores, Pam Templin, Martha Steffen, Sue Wilson, John Ziebell, John Gumz Jim Bott, Carolyn Collins, Ruth Jennings, and Andy Conover. Lighting crew included Walter Emmer, Bill Muentner, and Bruce McKay. Steve Pitzner and Dick Plaisance controlled the sound adjustments. The stage crew was composed of Arnold Albertz, Ronald Borndahl, Dan Homuth, Paul Frank, Ron Thompson, John Ward, Terry Bashaw, and Tony Meade. Judy Bartelt was chairman of the properties crew including Julie Perre, Joan Capelle, and Cheryl Thwing. Pam Barnes, Ann Blamey, Carol Dalieden, Janet George, Merry Haberkorn, Ruth Ann Halle, Kathy Mac Gregor, Sue Mielke, Claudia Moersch, Donna Palm, Nancy Rosenthal, Kathy Sabel, Josie Scharf, Joanne Scheibach, Pat Sheridan, Norma Skurnick, Sheryl Tremlett, and Nan Capelle as Chairman composed the make-up crew.

As Steve McConahey, president of the senior class said, "It was a great play by a great class."

CLASS PROPHECY

(Thunder and lightning, enter three witches.)

1st: When shall we three meet again, in thunder, lightning, or in rain?

2nd: When the hurly-burly's done, when the battle's lost and won.

3rd: That will be ere the set of sun.

1st: Where the place?

2nd: Upon yon spot. (Points to the stage.)

ALL: Anon!

(On the stage.)

1st: Round about the caldron go;
In the poisoned entrails throw.
Toad, that under cold stone
Days and nights has thirty-one
Sweltered venom sleeping got,
Boil thou first i' the charmed pot.

ALL: Double, double, toil and trouble;
Fire burn, and caldron bubble.

2nd: Cool it with a baboon's blood,
Then the charm is firm and good.

(Puffs of smoke emit from the kettle.)

3rd: Stir once more and say the words
To bring forth events unforecast
Of the class of '62 —
Goodrich students, wondrous good
Of energy and fortitude.

ALL: Double, double, toil and trouble;
Caldron burn and fire bubble.

1st: From the steaming caldron pluck
Stories of the future luck
Got by Seniors of Goodrich High!

3rd: AHA! Look, sisters!
(begins to read)

Scenes from the Senior Banquet, May 5, 1962 at the Retlaw Hotel

A fine dinner was preceded by community singing. The program featured the triple trio, a duet, a piano solo, and selections by the German Band. In addition to this gala atmosphere, Dr. Moser and Mr. Filbey gave the seniors some serious and important advice. It was a successful evening—a perfect climax for this outstanding class.

MR. FILBEY

STEVE McCONAHEY

Anne "Hammarskjold" Kaestner, leader of the Peace Corps, has just recalled social workers Kathy Piotter, Barb Finnerty, and Dale Terrill from Africa, where they have been confusing natives for the past several years. Marion Cohen still remains there because after years of Fort Lauderdale sun-tanning, the natives think she is one of their own.

2nd: While on the Dark Continent, the girls encountered John "REBEL" Ziebell raising forces for a second Civil War.

1st: At Albert Schweitzer's jungle hospital, head DDT surgeon, Dr. Martin Holmquist, assisted by nurses Sue Geiger, Gretchen George, Lynn Jensen, and Darlene Tappa, rubbed painful mosquito bites with a linament perfected by John Ziegelbauer.

2nd: Pam Templin has just received the Robert Scifrus Blake Prize for her novel *The Journal of the Plague Year, 1961-1962*. The plague was spread by educated bums Jim Bott, Peanuts Wischnewski, and Jim Kastorff, as they hitch-hiked to the French Riviera, now owned by Susan Burdett.

3rd: Returning to their pad next to Scott McCann's apartment, the setting of his movie "The Apartment," in which he co-starred with Donna Palm, they discovered that Harold Cook had painted pictures of Warren Buchter's smile all over the walls.

2nd: Next to their hovel is Mary Wagner's "Diet or Die" establishment, operated by culinary chef Sue Wilson, who prac-

tices on Ellen Soukup after her frequent trips to fabulous Finland.

1st: Competing with the diet shop is Bill Muentner's A & W Drive Inn, where Janet Wilhelms, Carol Zinzow, and Elaine Barfknecht work as carhops. Entertainment is provided by Larry Anderson's "Angus" trio, consisting of vocalists Carolyn Collins, Ann Gores, and Dave Pino, accompanied by pianists John Strege and Kathy MacGregor. Once a week Rodney Hannes presents his unique twist demonstration as a special attraction.

3rd: Here Coach Dave Rock treats his universally renowned basketball team — Charlie Bloedorn, Tony Meade, Bill Koenen, Dan Dettman, and Jim Kalk — all of whom ride to and from the games in "The Pig." If anything ever happens to "The Pig," Gary Aschenbrenner comes to the rescue in his blue "Passion Pit," together with the three Spencerian girls, Claudia Moersch, Sue Glaser, and Marlene Voehringer.

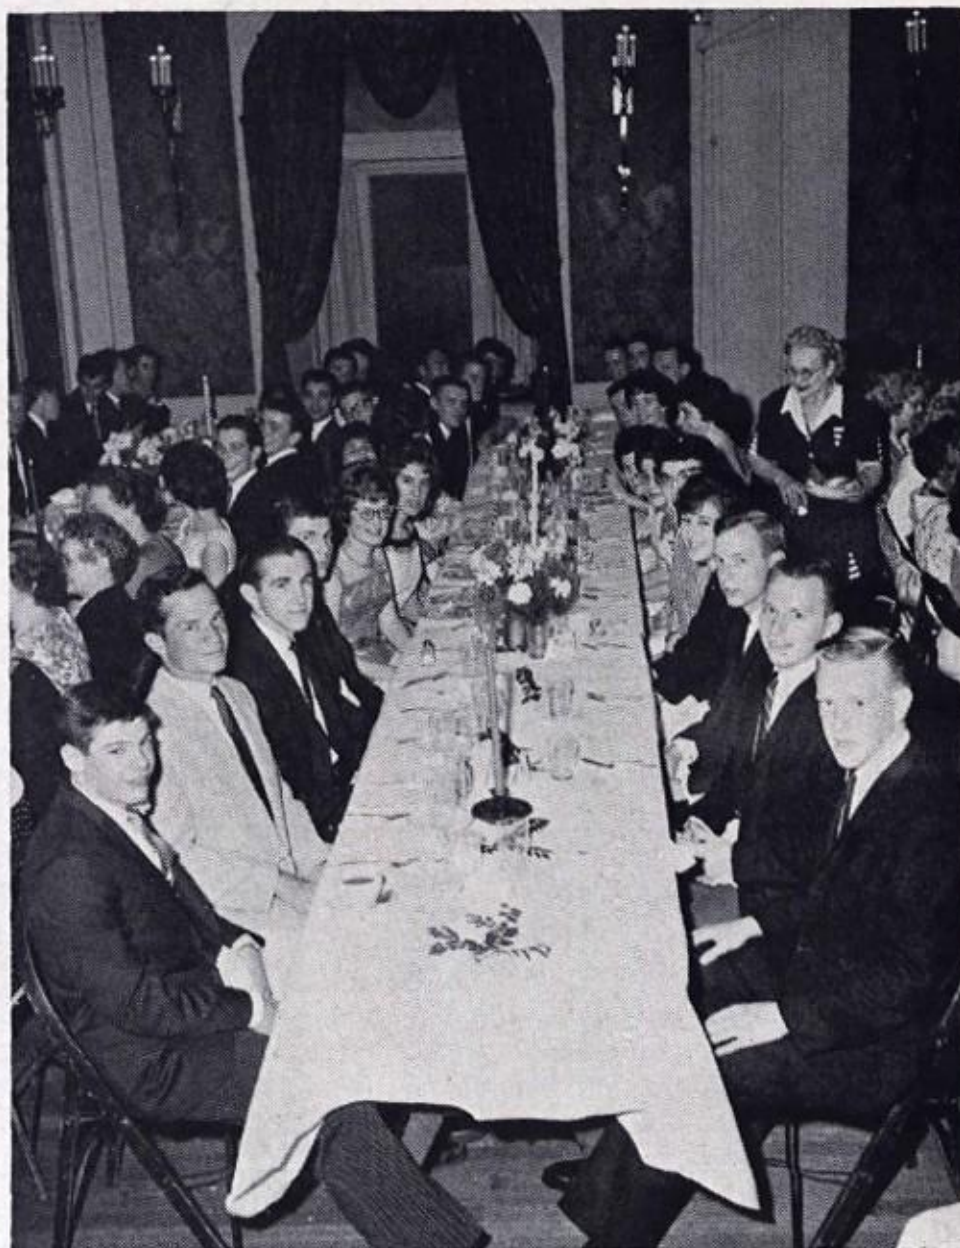

2nd: Due to the lack of driving signs, Judy Retzleff occasionally bombs smack into the drive-in. As soon as John Jaeger's Sign Co. replaces these signs, which Sheila Waite secretly spirited off to her bedroom, Judy's driving should improve.

1st: Blasting over the car radio is Steve Pitzner's "Tonight" program, on which he interviews famous celebrities such as Rockefeller Center Rockettes Jeanne Block, Dyana Burke, Sherry Doms, Jill North, Janet Streeter, Carol Zinzow, and the high-kicking Ron Pemberton.

2nd: Last night Pitzner's guest stars included models Pam Barnes and Ann Blamey, and **New York Times** gossip columnist, Josie Scharf. Editors of the **Times**, the largest and most controversial news-

paper in the world, are Bruce Petri and Margie Baker. Also on the staff are sports editors Scott Trott and Jay Johnson; art editors Kay Johnson, Tony McCrary, Marta Schultz, and Mary Lampros; and lovelorn columnists Judy Mawbey and John "Casanova" Gumz.

3rd: Erhard Voeltz and Ann Jobbagy translate foreign correspondence, which is sent over by Russian reporter Bill DeLorme, the apparent cause of the new Soviet-American rift; by the Athens correspondents Cynthia & Janet George; and Italian newswomen Joan and Nanette Capelle, who send over all reports via carrier pigeon Jim Lee. The toast of Paris is the husband-wife news

team of Mike Gulig and Sheryl Tremlett, who write all of their reports while perched atop the Eiffel Tower.

2nd: With the aid of Harvard Professor Craig Hansen, O.U., K.I.D., U.R., M.A.D., Jim Meyer has perfected his Theory of Irrelevance. Mathematicians Joanne Frazer, Jim Leonhardt, Lynn Stohlgren, and Jim Zorn have just found Infinity. Unfortunately, when they got there, they discovered that Dan Homuth, Jerry Steffen, and Bernie Koenig preceded them.

1st: In answer to this discovery, effervescent Mary Fick, fast-rising starlet at Rick Franson's 21 Century Wolf Studio, said "Who's Infinity?"

3rd: Mary is now working on a film with method actor Howard Mauthe.

1st: News that rocked Hollywood today was the unconfirmed report that Lyle Hansen just discovered the authentic Abominable Snowman, which was designed by architect Ray Gielow. Top biologist Jennifer Blakely's reaction was "GOO."

3rd: Since the Abominable Snowman could only say, "Check!", it must have been well-acquainted with Paul Frank.

2nd: Joanne Schiebach offered to curl the Snowman's hair, while Connie Niederhelfman said that she might as well do his nails, because Paul Setzer had broken a date with her to go golfing with the President of the United States, Steve McConahey. Caddying for the golfers were John Konz, Jerry Hansel, Dick Plaisance, and Norma Skurnick.

1st: Secret service men under the leadership of Jim Gaffney surrounded the President; they included Mike Lapcewich, Dave Senger, Jim Macksam, and the President's special bodyguard, Karen Melius.

3rd: Meanwhile, the First Lady of the land, Marge Wiedeman, was watching a gymnastic display by Larry Olsen, Tom Krueger, and Mike Pittler, who had been taught their tricks by Sue Mielke, Martha Steffen, and Karen Kay Krebsbach.

2nd: Following the meet, the First Lady attended a fashion show, where the "Margie" look was revealed by designers Judy Jones, Monica Lefeber, Ruth Jennings, and Gladys Kolitz.

1st: All of Washington turned out for this gala event. Representing Wisconsin were Senators of the "Know-Nothing Party" Merry Haberkorn, Kay Klipstine, Ruth Halle, Barry Blomfeldt, and Jerry Blatz. This party shared headlines with the one thrown by millionaire Karl Schmidt at his Death Valley estate. The event was in honor of a recent purchase of 2½ "Johnny Walker" shirts designed by John Warns.

3rd: Drinks were on the house and that is exactly where everyone was—watching astronauts Arnold Albertz and Bob Pruett take off from Vander Velde Air Force Base for the moon.

2nd: But what to the guest's wondering eyes should appear but John Merz's miniature sleigh and eight tiny reindeer: Carol Christiansen, Carol Leu, Kathy Wurtz, Judy Scannell, Candace Eigenbrodt, Wanda Treptow, Pat Sheridan, and Joanne Berry.

More rapid than eagles his coursers they came,

And he whistled and shouted and called them by name:

"In Christy, on Wurtzy, on Judy, on Candy;

On Wanda, on Sherry, on Berry — and on Carol!"

To the top of the house, to the top of the wall,

Now dash away, dash away, dash away all!

And they heard him exclaim as he drove out of sight,

ALL: "HAPPY FUTURE TO ALL, AND TO ALL A GOOD NIGHT."

In the won and lost column, the 1961 Fondy Cardinals did not rise above the rating given them by the early season dopesters; however, in determination, sportsmanship and improvement, it would be a rank injustice to say that they were anything but champs.

With only three lettermen as a nucleus, Coach Capicik, with the help of his able assistants, Carl Smedberg and Jim Johnson, schooled an aggregation that was highly respected before the season had progressed far.

The Cards, after an unsuccessful opener against an unfriendly Neenah eleven, bounced back to give Sheboygan North a real tussle before bowing 14-6. Intermittent thunder showers, costly fumbles, and an unsuccessful pass from the one-yard line spoiled a possible upset of the Manitowoc Ships. We were submerged 20-0.

Still gunning for victory number one, the Cards took on Green Bay East in our Homecoming. After leading on three occasions in the first half, hopes ran high; but the pesky Red Devils outlasted us, and we succumbed 39-27.

The day to remember was Friday, the 13th, the day on which we racked up a 34-13 win over the Appleton Terrors. Fondy literally blasted the Terrors off the gridiron by piling up a 3-1 margin in yards gained.

Green Bay West, our next foe, was encountered in the spacious Packer Stadium. Holding the number one team of the state to 6-0 for the first half, our warriors played like champs. In the second half the roof caved in and we went down 44-0. And then, in a real heartbreaker, we bested Sheboygan South in every department of the game except the final score, which read 14-13.

In the windup, our Redbirds dueled the Oshkosh Sawdusters, the Co-Champs, right down to the wire. We were edged in a hard fought contest by the narrow margin of 22-13.

Salvaging some glory from the long campaign were Co-Captains Chuck Bloedorn and Larry Olsen, who were awarded berths on the All-Conference defensive team. Bill Koenen, Jim Kalk, Mike Pittler, and Tony Meade were given honorable mention. In addition, Chuck Bloedorn was voted "most valuable player" by his teammates.

The Cardinal Jayvees finished their season with a 3-4 record. Coaches Gerry Pollei and Gary DeBauche bemoaned the many injuries and ineligibilities with which they were beset throughout the season, but expressed confidence in the ability of many of the performers and expect them to ably fill the gaps left by graduation.

J.V. FOOTBALL

Top row: Dave Noe, Keith Searl, John Hoffman, Gary Blazer, Leo Dunton, James Ramage, John Steffes, James Auchue.

Missing: Coach Gary De Bauche and Jim McCready.

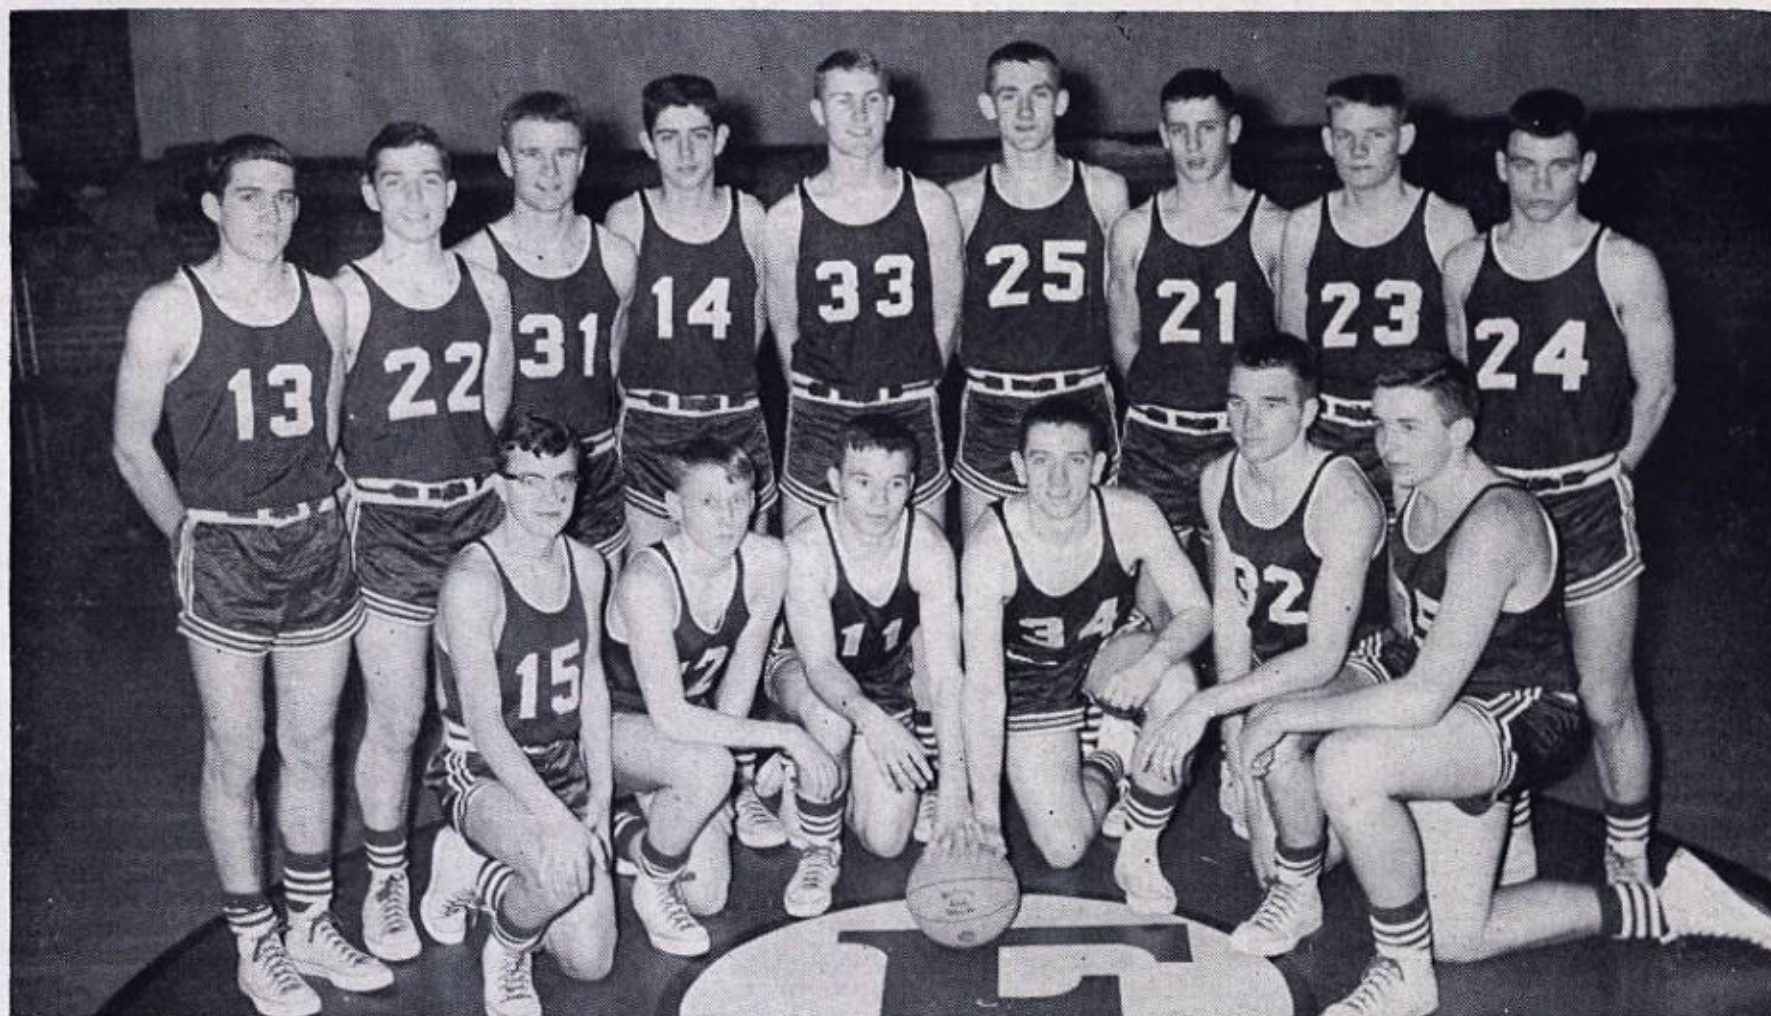

Second row: Coach Pollei, Bob Plagens, Bob Jones, John Crofts, Doug Schwark, Bob King, Douglas Terrill, Claude Brown.

Bottom row: Stan DeRusha, Wayne Hupfer, Bob Freiberg, Kurt Sweet, John Demos, Myron Cohen, Jim Supple, Norbert Wetzal, Robert St. Lawrence.

The 1961 J.V. Football team had a record of three wins and four losses. The team was in the running for the championship until the last two games. All games, with the exception of the last one, were close, with one touchdown separating the teams.

The team had a good spirit and scrap which impressed all the coaches. Several players during the course of the season were moved up to play varsity positions and gave a fine account of themselves. Some of these sophomores will form a fine nucleus for next year's varsity team.

Back row: Leo Giese, Dan Dettman, Bill Koenen, Jim Berge, Jim Burdett, Paul Bredlau, Mike Mies, Dick Damm, Jim Kalk.
Front row: Gary Bloodorn, Dick Richter, Chuck Bloodorn, Tony Meade, Steve McConahey, Tom Smith.

If spirit and determination were sufficient to win ball games, Fondy would have been a winner all the way. Coach Fritz Lautenschlager's relatively inexperienced aggregation, although consisting of lettermen Steve McConahey, Churck Bloodorn, Tony Meade, Jim Kalk, Dan Dettmann, and Bill Koenen, were predicted to hold up the rest of the league this '61 - '62 season. The Goodrich team, however, turned out to be the real "surprise" team of the year, compiling a 7 - 7 record in the Conference and a 10 - 10 over all record. In fact, the scrappy Cardinals were in the running for the championship until the final two weeks of Conference play.

In blasting Kaukauna 61 - 36 in the opener, the Fondy Cardinals gave some notice of its potential; however, a red hot Neenah five put the picture somewhere back in perspective by downing our Cards 73 - 58. And then, to make prospects actually look gloomy, our cross-town rivals, the Springers, hexed us to the tune of 58 - 52. Jim Kalk's fine marksmanship all but won this one for us.

The tall terrors from Appleton, who had an impressive pre-conference record, hosted Fondy in the opening Conference game. A fast Terror finish all but dissipated an eleven point lead, but the final score, 71 - 69, headed the Cards in the right direction. With Meade, Bloodorn, and McConahey firing the big guns against Green Bay East and North, 69 - 59 and 73 - 54, respectively, our fighting Cards held an undisputed 3 - 0 lead in the Conference.

After a non-Conference loss to an extremely rugged Madison West Club at Madison during the Christmas recess, 70 - 62, a combination of bad luck and strong opposition dropped the Cards in three successive outings, 62 - 51, in a sub-standard game in the new spacious Manitowoc gym, 71 - 70, against West in an overtime in which the lead changed hands fourteen times, and, 75 - 66, to Sheboygan South in a fast encounter which saw a good second half Fondy drive and a twenty-two point splurge by Meade go to no avail. In a great team effort, Coach Fritz Lautenschlager's five jolted the Oshkosh Indians, 49 - 45, to finish the first round of Conference play with a respectable 4 - 3 record.

The second round action began with a notable victory over Appleton, 78 - 68. This win marked the first time in twenty years that the Cards had beaten a Terror harcourt team twice in the same season. In addition, Tony Meade, with thirty-three points, tied the single game scoring record. After wheezing past Green Bay East, 49 - 47, without Mike Mies, sidelined because of illness, the Fondy Five was frigid against the North Raiders and took a 62 - 40 thumping.

Going into the final stretch with a 6 - 4 record and still a chance to finish high in the standings, everything depended on how we stacked up against the four remaining tough opponents. In a real spine-tingler we bested the Manitowoc Ships, 67 - 62, with Bloodorn and Meade combining for forty-nine points. Against West, with McConahey standing out, a sparkling rally fell short and we succumbed 60 - 57. South, after trailing for thirty minutes of playing time, took the lead and edged us 81 - 76. And in the finale, despite McConahey's fine showing, the Indians reduced our Conference record to 7 - 7 by pinning us to the wall 80 - 61.

In state tournament play we got off with flying colors by taming both Chilton and New Holstein by scores of 65 - 56 and 59 - 54 to win the Sub-Regional at Chilton. In the Regional at Sheboygan South, pesky South caught us way off form and by the score of 66 - 46 dropped us from further contention.

In reward for their stupendous achievements this year, three players were singled out. Tony Meade, the team's most valuable player, was unanimously elected to the All-Conference First Team by Valley sportswriters. One of the best players to come out of this area in years, Tony led the league in scoring with 292 points, better than 21 per game. In the same poll Chuck Bloodorn and Steve McConahey were given honorable mention. In a poll of coaches conducted by the local newspaper, Tony was again honored by being named unanimously to the first team while Chuck and Steve were given berths on the second team. Tony was also selected on the All-State Team. Chuck Bloodorn and Steve McConahey were also honored by their teammates by being selected as 1961-'62 Co-Captains.

Front row: John Cochran, Jim Westphal, John Stacy, John Hoffman, Dick Pitzner, Fred Petri.

Although Coach Fred Hanson's Jayvees had difficulty establishing a creditable won-loss record, a number of sophs showed promise and will be heard from.

Standing out for the Jayvees were such boys as Dean Dablow, Jim McCready, Doug Sosinske, and Dick Pitzner.

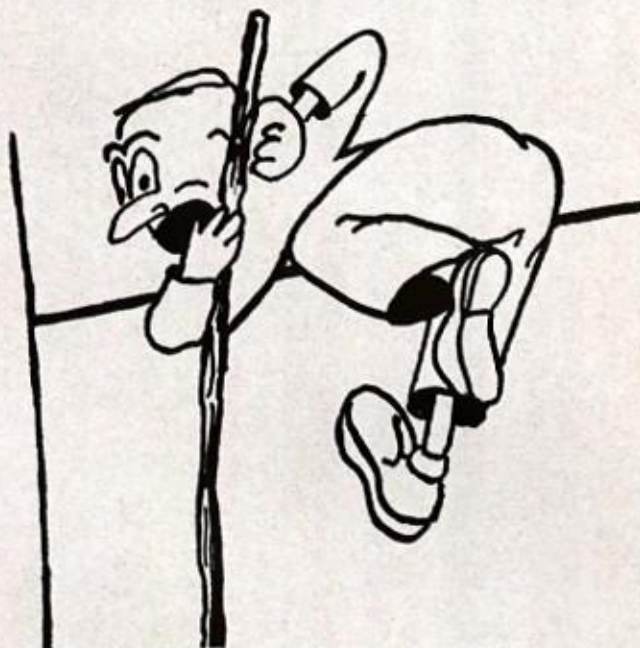

TRACK

Top row, left to right: David Krenke, Frank Wix, Dean Dablow, David Noe, Richard Doll, Mike Jobaggy, Manager Dave Gardner, and Coach Del Stacy.
 Row 2: Daun Garcia, James Hankwitz, Thomas Krueger, Joe Thresher, James McCreedy, Leo Giese, Robert Supple.
 Row 3: William Baggett, Steven Grosenick, John Eilert, Larry Podeweltz, Ronald Pemberton, Harold Manis, Paul Beisbier, Thomas Leu.
 Row 4: Dave Griffiths, John Stacy, Paul Bredlau, Harold Cook, James Lee, Larry Olson, Bill Wennersten, Dick Keating.

Coaches Del Stacy and Jim Johnson, with only fifty-five candidates reporting and with the loss of two experienced point getters in Rick Gilmore and Rick Brajdic who moved from the city, have their work cut out for them. Although eleven lettermen made up this year's squad, prospects were dim as the 1961 team wound up last in the Fox River Valley Conference Meet.

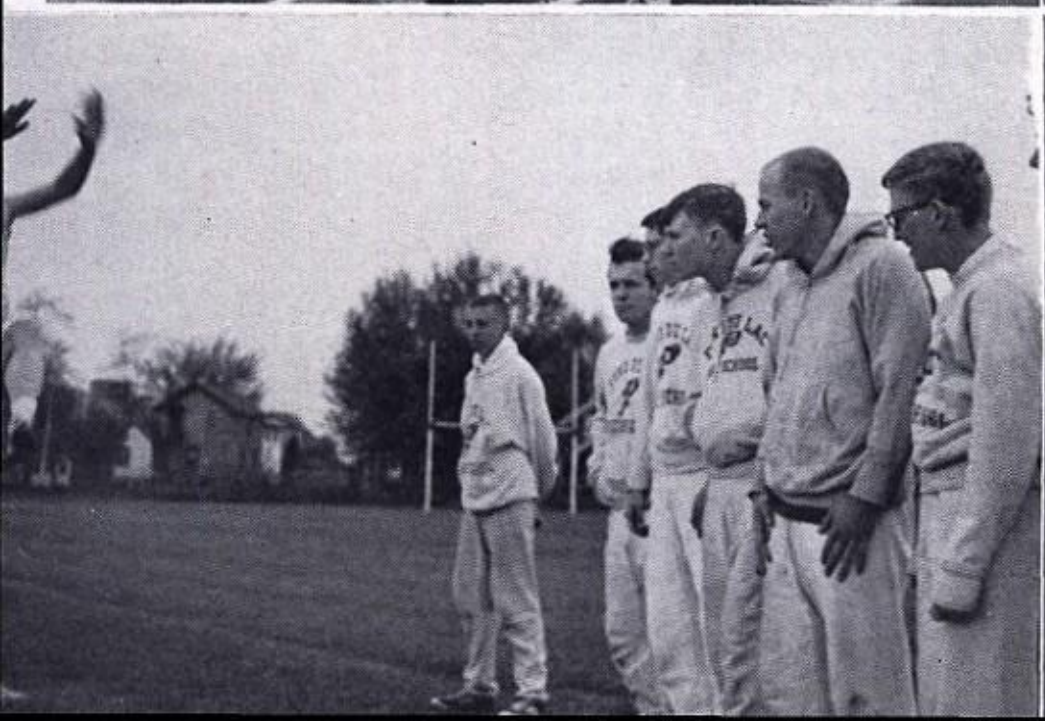

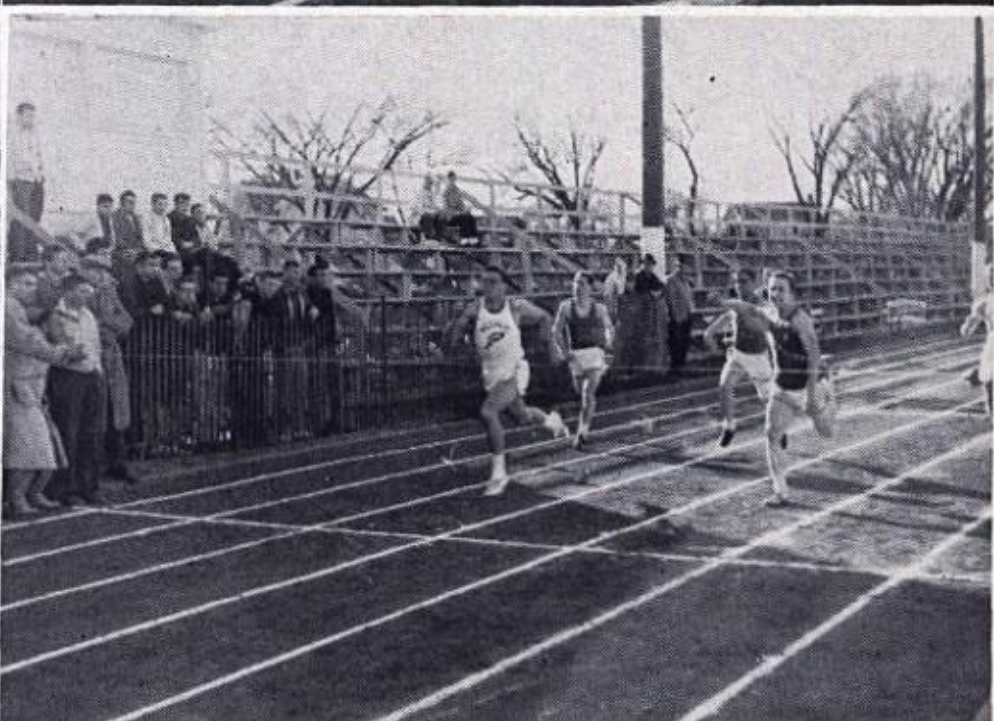

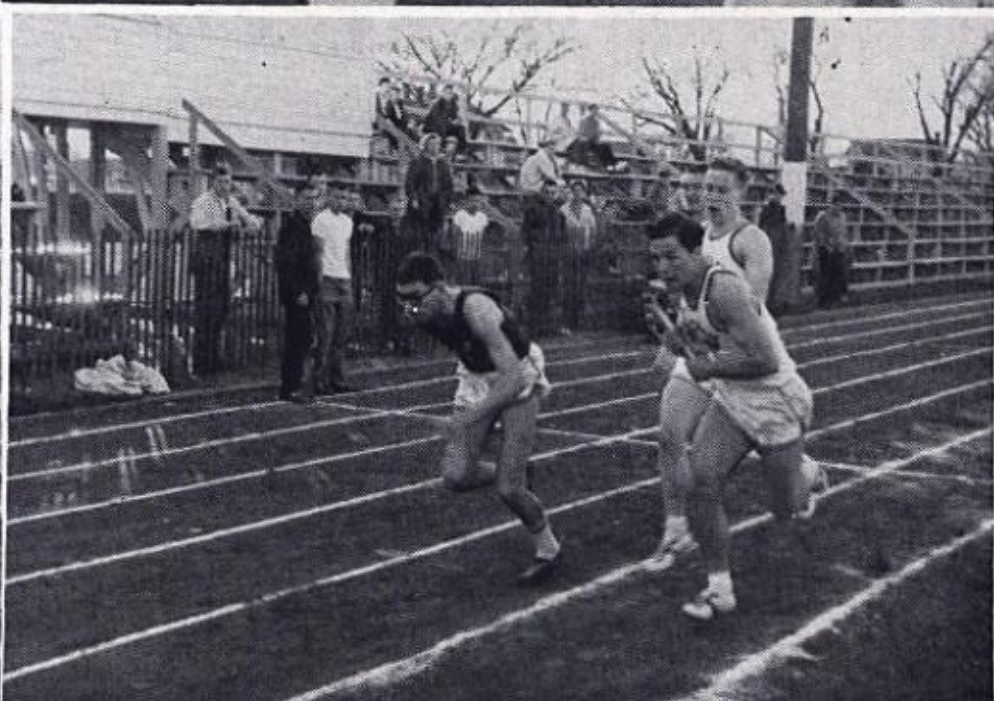

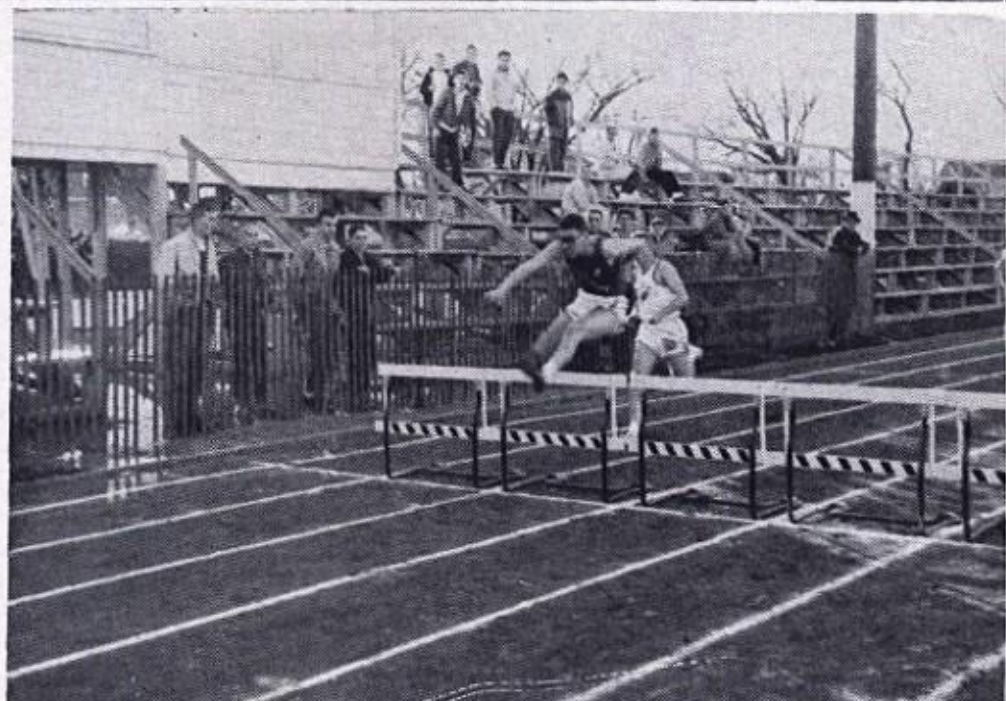

The lettermen include Bill Wennersten, half-miler; Bob Supple, hurdles, half mile and high jump; Dave Senger, miler; Ron Pemberton, hurdles; Tom Krueger, mile; Larry Olson, weights; Jim Lee, dashes, broad-jump, and relay; Paul Bredlau, high jump, broad jump, and relay; Leo Giese, pole vault, 440, and high jump; and Don Ruch, broad jump.

In the contest to date the Cardinals have made a very creditable showing winning two dual meets and just barely being edged in two triangulars plus the West Bend relays. In the Conference Meet our Cards were relegated to sixth but showed up well in garnering a respectable point total. Outstanding performers to date have been Jim Lee, Harold Cook, Leo Giese, Larry Olson, Ron Pemberton, Dave Senger, and Paul Bredlau. Dan McClain has been an outstanding freshman.

Still remaining on the schedule are the Sectional Qualifying Meet and the Conference Relays, both at Fond du Lac on May 18 and 22 respectively. After trimming Oshkosh 63-55 in the last outing, our Cards should be well primed to make a good showing in both the remaining encounters.

Noteworthy individual performances have been credited to Jim Lee whose 51.2 set a new Cardinal 440 record and to Ron Pemberton who, likewise, set a new school record in the high hurdles with a splendid 20.5, against Oshkosh.

BASEBALL

Top row, left to right: Coach Bilse, Jim Macksam, Jim Kalk, Doug Sosinske, Tom Erickson, Tom Demboski, Karl Schmidt, John Gumz, Manager Maurice Fitzsimons, Coach Lautenschlager.

Bottom row: Bruce Donovan, Greg Nelson, John Macksam, Keith Searl, John Cochran, Jim Auchue, Don Bosin, Ronald West.

Last year our baseball squad turned in a 7 - 5 record in conference play, due to the fact that experienced veteran players returned to fill all positions on the team. The season was highlighted by 3 wins from Oshkosh, 3 wins from St. Mary's of Menasha, and one victory over Manitowoc. We encountered 3 defeats from Manitowoc, and one loss each from Oshkosh and St. Mary's of Menasha. The team was victorious 5 times in tournament play; however, our boys were defeated by Oshkosh in the finals of the section play just before the state meet at Eau Claire. Therefore, all told, our final season record was 12 - 6. Also, our sophomore squad beat the Winnebago Lutheran Academy twice last year.

With respect to the 1962 baseball season, Coach Fritz Lautenschlager expressed a fair outlook. Returning this year were four Lettermen plus other veterans in pitching and the infield and outfield reserves. The success of our team this season indeed will depend on the skill of our boys in filling their respective positions and the amount of improvement they show. The season record to date is as follows:

Manitowoc 10, Fondy 0
Kewaskum 0, Fondy 3 —non conference
Oshkosh 2, Fondy 1
Oshkosh 16, Fondy 5 —doubleheader
Menasha 4, Fondy 9

TENNIS

With our team placing third in last year's conference meet Coach Kurt Thiel had high hopes for improvement in the 1962 season. The team finished the 1961 season with a 3-7 varsity record; but this year, due to a shortage of experienced lettermen, there have been no victories to date. A good number of the schools we've played thus far have teams which consist of four or more lettermen, some having as much as three year's experience. This year our tennis team is made up of the following boys:

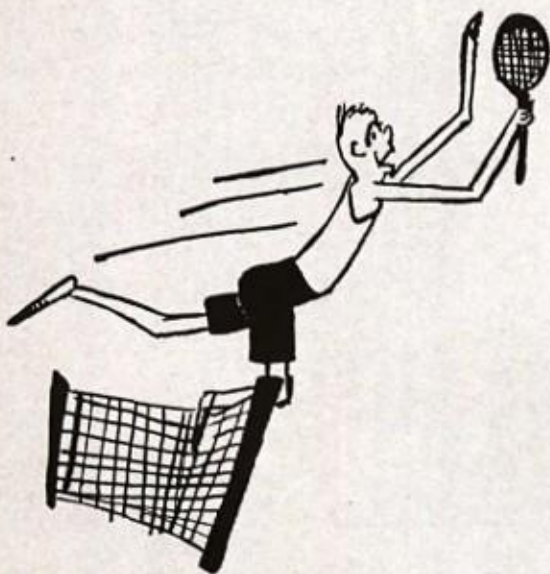

Those having two year's experience in match play are Ray Gielow, a senior, and Bob Plagens, a junior. Boys in their first year of match play are Jim Zorn and Lynn Stohlgren, both seniors. John Wachs, Stan DeRusha, Dan Machsam, Steve Sandberg, and John Demos are all sophomore players.

Coach Thiel has high hopes for the forthcoming season, as we should have at least three lettermen returning. Because the other schools will be losing many of their lettermen, and because by next year our boys will have picked up an additional year of experience, we can expect our team to be quite successful in the 1963 campaign.

The schedule for the 1962 season is as follows:

April 18—West Bend
April 21—Manitowoc
May 2—Oshkosh (here)
May 5—Sheboygan North
May 5—Sheboygan South (here)
May 7—Sheboygan South (there) —

With a large turnout of 22 prospective candidates, and with the return of 4 lettermen from last year's squad which was of state tournament caliber, the golf team for the 1962 season gave evidence of a high potential. To date our squad is accredited with 5 victories plus a second place in a recent quadrangular meet. This year's team promises to be one of the best yet, having scored victories in 4 duals over Elkhart Lake, Waupun, Oshkosh, and West Bend plus victories in the first quadrangular meet in which both Green Bay schools and Oshkosh had participated.

Utilizing indoor practice to supplement outdoor practice during inclement weather and through Easter vacation enabled the team to get in shape early in the season.

Forthcoming events in the immediate future are the Conference meet at Green Bay and the sectionals which terminate at the state tournaments. Also, several dual meets including return matches with other teams that we played earlier in the season are on the agenda for the next two weeks.

Coach Joe Capicik considers his 1962 squad to be a strong one, being bolstered by the 4 returning lettermen, Chuck Bloedorn, Steve McConahey, Gary Blazer, and Dave Rock, and also supported by good prospects such as Chuck Klima, Paul Setzer, and Bruce Petri. Other boys who, with more experience, will be making strong bids for positions on the squad of 5 for either the second half of this student or next year are Tom Smith, Claude Braun, Terry Willie, Greg Putman, Chuck Balnis, Keith Peterson, Perry Rice, Dick Pope, Tom Promen, Glenn Meyer, Mike Anderegg, and Bob Koenigs.

The big events of this year are the annual conference meet at the Brown County Golf Course in Green Bay and the important state sectionals. Fondy will compete this year at Tuscumbia course in Green Lake with other teams, and the 2 top teams will compete in the 2 day state tournament at Lawsonia in Green Lake.
